PRICE NOTIFICATION

Road construction department of Government of Jharkhand is levying Composition User Fee (CUF) for use of state road and/or bridges, inter changes, flyover, ROB / RUB, bypasses and tunnel thereon in mining areas at the rate of Rs 600 per trip (Rs.1200 per round trip) from the mineral transport vehicles. These rules have come into force from the date of their publication in the official gazette i.e. 26th October, 2021. For ECL, these will be applicable for coal evacuation from Jharkhand based Areas viz Mugma, S P Mines & Rajmahal.

ECL had decided to pay CUF on behalf of commercial vehicle owner/transport operator engaged in transportation of coal from Colliery to siding and from road weighbridges to consumer's destination. The above arrangement shall remain applicable for the period from 26/10/2021 to 31/07/2022. Accordingly, no Commercial vehicle owner/Transport operator would be required to pay CUF for the above-mentioned period i.e. 26/10/2021 to 31/07/2022. **Recovery for the dues applicable for the above-mentioned period will be made by ECL from our consumers at the following rates:**

Road Mode Customers	
Area Name	Charges (₹/Tonne)
Mugma	60
S P Mines	60
Rajmahal	60

Rail Mode Customers	
Area Name	Charges (₹/Tonne)
Mugma	75
S P Mines	120
Rajmahal	Nil

Table-2

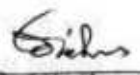

The payment so made by ECL on behalf of commercial vehicle owner/transport operator shall be restricted to the extent of levy of Composition User Charges only. For other Govt Levies (GST) etc incidental to the Composition User Charges, commercial vehicle owner/transport operator engaged by ECL as well as consumers, shall be responsible for making payment and complying with pertinent provisions of the relevant statutes.

For the period starting from 01/08/2022, the following modalities will be applicable:

- **Road Mode Customers:** For road mode dispatch, the Composition User Fee shall directly be paid by the vehicle owners /transport operators engaged by the customers for transportation of coal from ECL's sale point to the destination in case of use of state roads of Jharkhand. For making such payment, vehicle owners /transport operators shall use the system implemented by the State Government.

- **Rail mode Customers:** For rail mode dispatch, the Composition User Fee shall continue to be charged from the consumers at the rates mentioned in Table 2. CUF recovered from rail mode consumers shall be used towards liability incurred on this account by vehicle owners/transport operators engaged in internal coal transportation. However, such liability shall be restricted to the extent of levy of Composition User Fee only. For other Govt Levies (GST) etc. incidental to the Composition User Charges, respective vehicle owners/transport operators, shall be responsible for making payment and complying with pertinent provisions of the relevant statutes.

This issues with the approval of competent authority.
