NOTICE

Subject: Charging of CUF for dispatch from Hura-C Project

For coal transported from Hura-C OCP to RJ wharf-wall siding, CUF is to be charged for dispatch of coal by Rail/MGR mode at the rate of Rs. 62 per tonne from the date of commencement of transport.

At present, coal is not being dispatched in Road mode from Hura-C project. However, in future, for Road Mode dispatch, the Customers are expected to pay Composition User Fee (CUF) directly to Jharkhand Govt. before placement of their trucks at the Colliery Loading point. ECL will not be charging CUF in the coal bills for dispatches by road mode. This is in line with the previous committee recommendation on charging of CUF.
