Tender committee Meeting (TCR)**Tender Details**

1	e-Tender Notice	NIT NO. : ECL/GM/BA/E-TENDER/25-26/ENM/62 Date: 13.08.2025
2	Name of work	conversion of 11kV/6.6 kV, 2MVA transformer to 11kV/3.3kV, 2MVA for supplying power to LHCM-1 package at Shyamsundarpur Colliery under Bankola Area
3	Estimated Cost	Rs. 453352.00
4	EMD Amount	Rs. 5700.00
5	Bid Submission start date	13.08.2025 18:00 Hrs.
6	Bid submission end date	25.08.2025 18:00 Hrs.
7	Technical Bid Opening date	26.08.2025 18:00 Hrs.
8	Tender ID	2025_ECL_341464_1
9	Period of work completion	20 days

Opening of Bid:

Technical Bids were opened on **NIC Coal India e tender portal** on scheduled date and time as mentioned above. It was found that total 04 Nos of bids have been received as mentioned below: -

S.No	Bid No	Bidder Name
1	1175630	META ELECTRIC
2	1176763	SURYA TRANSFORMER
3	1176971	CHATTERJEE ENGINEERING WORKS
4	1177089	SC ENGINEERING SERVICE

- It has been observed that the Notice Inviting Tender (NIT) did not explicitly provide a separate cover or clearly defined requirement for submission of the Electrical Contractor License, although the same was mentioned within the NIT provisions. During the General Technical Evaluation (GTE), all bidders selected "Yes" in response to the criterion relating to possession of a valid Electrical Contractor License; however, the document was not submitted by any bidder except M/s **SURYA Transformer**.

- In view of the above, and to maintain transparency, fairness, and consistency with the tender conditions, the details of the technical evaluation are as under:

Sl. No.	Name of Contractor	GTE Selection (Possession of Electrical Contractor License)	Status of License Submission / Compliance
1	META ELECTRIC	YES	Not Submitted
2	SURYA TRANSFORMER	YES	Submitted; however, the Electrical Contractor License has been issued by the Government of Delhi and does not clearly specify the supervisor's name or the required Parts. The address mentioned in the license also does not match the bidder's registered address. Furthermore, the bidder's registered address and the work experience documents pertain to a different State than the issuing authority, leading to inconsistencies regarding the applicability and validity of the submitted license.
3	CHATTERJEE ENGINEERING WORKS	YES	Not Submitted
4	SC ENGINEERING SERVICE	YES	Not Submitted

1. It has been observed that the Notice Inviting Tender (NIT) did not explicitly specify a separate cover or a clearly defined requirement for submission of the Electrical Contractor License, although the same was mentioned within the NIT provisions under the condition "if applicable." During the General Technical Evaluation (GTE), all bidders selected "Yes" regarding possession of a valid Electrical Contractor License; however, except for M/s SURYA Transformer, no bidder uploaded the required document. The license submitted by M/s SURYA Transformer was also found to be non-compliant with the applicable tender conditions due to inconsistencies related to issuing authority, supervisor details, and address verification.

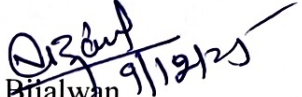

2. In light of the above observations and in order to uphold transparency, fairness, and equal opportunity among all participating bidders, it appears that an inadvertent procedural lapse occurred at the stage of tender creation, specifically relating to the clarity of documentation requirements.

3. Accordingly, it is proposed that the present tender may be **cancelled and re-invited**, ensuring that the requirement for submission of the Electrical Contractor License is clearly defined and placed in a separate cover. This will help maintain compliance with statutory norms, avoid ambiguity, and ensure fair competition among all prospective bidders.

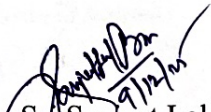

Tender ID 205-ECL-34464-1

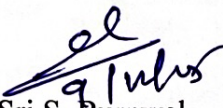

The tender committee also confirms that none of the tender committee members have any personal interest in the companies/agencies participating in this tender process. It also confirmed that extant rules and procedures have been followed while finalizing the instant tender.

Put up to General Manager, Bankola Area, for his kind perusal & approval of the tender committee recommendation.
